

PGA TOUR AUTOGRAPH POLICY

To enhance the autograph experience for all spectators, while allowing players to properly prepare for competition, the PGA TOUR has established the following guidelines:

1. **Autographs can only be obtained at designated Autograph Zones.**
2. **On-course autographs are not permitted. This includes, but is not limited to, tees, fairways, greens and practice areas during practice rounds and tournament rounds.**

KEY POINTS:

- On-course autograph seeking is **prohibited**
- Autograph seeking will be **restricted** to designated autograph zones organized and managed by the tournament
- **NEW Prohibited Items:**
 - No memorabilia can be **brought into the tournament** including pin flags, photos, trading cards, balls and other sports paraphernalia.

MESSAGING AND ENFORCEMENT:

- Pre-tournament messaging on PGA TOUR website/app, as well as tournament websites and social media
 - Messaging to spectators on-site:
 - Entrance Signage
 - Shuttle bus and entry A/V messaging
 - On-course signage (**approx. 75-100 signs dependent on course layout**)
 - Required signage coverage to include player chutes to and from starting/finishing holes, scoring area(s), driving range, practice putting green and other high fan traffic areas; dependent on course layout.
 - Standard signage available in Tournament Signage Package on the TRC; on-course/ropeline signage various sizes available – 12x6 is ideal for ropeline throughout the golf course, while 24x36 designed for high traffic and high impact areas.
 - Work with TBA Ops Lead to determine appropriate amount and areas
 - Tournament personnel:
 - Staff / volunteers / vendors / officials / security will deliver autograph policy message, screen for prohibited items at entry points and on course throughout the week.
